UPDATED DATE & TIME!

FREE RAFFLE TICKET (1 PER HOUSEHOLD IN ATTENDANCE)

WE NEED YOU

We want to:

- share why the ByLaws vote is important
- why we need a 51% outcome to approve it
- what happens if the park doesn't get the votes
- what is its cost for us all

Also, ask us anything. Do you want to discuss upcoming water and sewer rate hikes, how about that we might have to remove some of our lawns. This is an open forum for discussion.

Please attend, this is your park, we need your help.
